

ROLE OF CHEW_s IN RH COMMODITY MANAGEMENT, REPORTING & FEEDBACK

Role of Chews (1)

- Their function is to facilitate the provision of quality services by CHWs and to ensure a smooth referral mechanism linking the community to level 2 and 3 facilities.

The CHEWs' main functions therefore include:

- Overseeing the selection of CHWs.
- Organizing and facilitating CHW training.
- Monitoring the management of the CHWs' kit.
- Supporting the CHWs in assigned tasks and coaching them to ensure achievement of desired outputs and outcomes.

Role of Chews (2)

- Ensure achievement of desired outputs and outcomes.
- Collating information gathered by the CHWs to display summaries at strategic sites to provide relevant feedback as well as material for dialogue at household and community levels.
- Compiling reports from CHWs and forwarding to level 2 and 3 management committees as well as the District Community Strategy Coordinator

Role of Chews (3)

- Receiving feedback from level 2 and 3 facilities and passing it on the CHCs and CHWs through dialogue and planning that leads to actions to improve identified issues.
- Following up and monitoring actions emerging from dialogue and planning sessions to ensure implementation
- To request and collect commodities from the facility in charge for CHWs
- To issue commodities for CBD to the CHWs
- To issue IEC materials collected from MOH/Tupange to the CHWs for distribution
