

## B. FP Facilities/Service Providers in the TCI Geography Form

List the service providers in the geography where you intend to work including, public sector/government hospitals, district facilities, local clinics and outreach; international, national, and local NGO facilities, clinics and outreach; and commercial/private sector clinics, pharmacies, medicine shops etc.

For each facility or service provider, please fill out the role they play, size and location and/or coverage area, other important facts/factors, and the contact information.

Facility/SP Name and Type	Role in FP	Size and Location(s) and/or Coverage Area	Other Important Facts/Factors (including reporting into HMIS)	Contact Information
<b>Government / Public Sector Facilities and Service Delivery Outlets</b>				

## B. FP Facilities/Service Providers in the TCI Geography Form

Facility/SP Name and Type	Role in FP	Size and Location(s) and/or Coverage Area	Other Important Facts/Factors (including reporting into HMIS)	Contact Information
<b>NGO-run facilities and service delivery outlets</b>				
<b>Private Sector facilities and outlets</b>				

Once finished, upload the entire table into the Program Design Template
